

Jester's Funeral, Nebula

music by Stefan Schmidt & Bastian Emig, lyrics by Stefan Schmidt

Days go by and still I try to stand. Though they try to rape my soul, they try to make me feel so bad
When will it end? I'm scared I can not ake this torture anymore. an't remember what my life is for.

Hear me and cover my skin. Feel me and kill my nightmares deep within. Hide me, my sorrow and

Nebula, come cover me. Nebula, through rainy skies I see. Nebula, come cover me. Nebula, in mis

As the pain keeps hurting on and on I await the one to help me out of this, to get there I must run.
All alone. Until I come to places drowning in blue haze. Help me close my eyes on brighter days.
