

Jesu, We All Falter

And you're a disease,
but you're a disease that i'm underneath.
And you're just like,
and you're just like all the rest.
'Cause we all falter.

'Cause we all falter

Lay the blame.
Lay the blame onto me.
Lay the blame.
Lay the blame onto me.
'Cause we all falter.

We all falter.
'Cause we all falter.
'Cause we all falter.
'Cause we all falter.
