

# Jesus And Mary Chain, Nine Million Rainy Days

sung by William  
nine million rainy days  
have swept across my eyes  
thinking of you  
and this room becomes a shrine  
thinking of you  
and the way you are  
sends the shivers to my head  
you're going to fall  
you're going to fall down dead  
as far as i can tell  
i'm being dragged from here to hell  
and all my time in hell  
is spent with you  
i have ached for you  
i have nothing left to give  
for you to take  
i have no more empty heart  
or limbs to break  
and the way you are  
sends the shivers to my head  
you're going to fall down dead  
as far as i can see  
there is nothing left of me  
and all my time in hell  
was spent with you
