

Jesus And Mary Chain, Save Me

sung by Jim

written by Jim and William

Unholy

I feel sick and unholy

My sould don't want to know me

I've been living like dirt

Hey lover

I've been touched by another

I guess I'm blowing my cover

I guess I'm blowing my life

Oh save me

Nothing right for me lately

I was wrong but don't hate me

I've been doing it for myself
