

Jesus Christ Superstar (2000), The Arrest/Denial

There he is,
They're all asleep,
The fools
Judas
Must you betray me
With a kiss?
What's the buzz? Tell me what's a-happening
What's the buzz? Tell me what's a-happening
Tell me what's a-happening?
Oh, what's the buzz? Tell me what's a-happening
What's the buzz? Tell me what's a-happening
What's the buzz? Tell me what's a-happening
What's the buzz? Tell me what's a-happening
Hang on, Lord, We're gonna fight for you
Hang on, Lord, We're gonna fight for you
Hang on, Lord, We're gonna fight for you! No!
Put away your sword
Don't you know that it's all over?
It was nice, but now it's gone
Why are you obsessed with fighting?
Stick to fishing from now on
Tell me, Christ, how you feel tonight!
Do you plan to put up a fight?
Do you feel that you've had the breaks?
What would you say were your big mistakes?
How do you view your coming trial?
Have your men proved at all worthwhile?
Did you pick an efficient team?
Is that it for the Jewish dream?
Come with us to see Caiaphas
You'll just love the High Priest's house
You'll just love seeing Caiaphas
You'll just die in the High Priest's house!
Come on, God, this is not like you
Let us know what you're gonna do
You know what your supporters feel,
Do you escape in the final reel?
Tell me, Christ, how you feel tonight
Do you plan to put up a fight?
Do you feel like you had the breaks?
What would you say were your big mistakes?
Come with us to see Caiaphas
You'll just love the High Priest's house
You'll just love seeing Caiaphas
You'll just die in the High Priest's house!
Now we have him! Now we've got him! x4
Now we have him!
Now we have got him! Now!
Jesus, you must realize
The serious charges facing you
You say you're the son of God,
Then hold your hand up, well, is it true?
That's what you say!
You say that I am!
There you have it, gentlemen,
What more evidence do we need?
Judas, thank you for the victim
Stay a while and you'll see him bleed
Now we have him! Now we've got him!
Now we have him! Now we've got him!
Now we have him! Now we've got him!
Now we have him! Now we've got him!
Take him to Pilate,
Take him to Pilate

Take him to Pilate
Take him to Pilate
I think I've seen you somewhere, I remember
You were with that man
They took away
I recognise your face
You've got the wrong man, lady,
I don't know him
And I wasn't where he was tonight
Never near the place
That's strange,
For I am sure I saw you with him
You were right by his side,
And yet you deny
I tell you I was never, ever with him
But I saw you too,
It looked just like you
I don't know him!
Peter, don't you know
What you have said?
You've gone
And cut him dead
I had to do it, don't you see?
Or else they'd go for me
It's what he told us you would do
I wonder how he knew
Who is this broken man
Cluttering up my hallway?
Who is this unfortunate?
Someone Christ, "King of the Jews"
Oh, so this is Jesus Christ,
I am really quite surprised
You look so small,
Not a king at all
We all know that you are news
But are you king?
King of the Jews?
That's what you said
And what do you mean by that?
That is not an answer
You're deep in trouble, friend
Someone Christ, "King of the Jews"
How can someone in your state
Be so cool about his fate?
An amazing thing,
This silent king
Since you come from Gallilee,
Then you need not come to me
You're Herod's race,
He's Herod's case!
Hosanna, Heysanna, sanna, sanna
Hosanna, Heysanna, Hosanna
Hey, J.C., J.C., please explain to me
You had everything, where is it now?
