

Jesus Christ Superstar, Could We Start Again Please

Mary Magdelene:

I've been living to see you
Dying to see you but it shouldn't be like this
This was unexpected, what do I do now?
Could we start again, please.

I've been very hopeful so far
Now for the first time I think we're going wrong
Hurry up and tell me this is just a dream
Could we start again please

Peter:

I think you've made your point now
You've even gone a bit too far to get the message home.
Before it gets too frightening we ought to call a halt
So could we start again please

Together:

I've been living to see you
Dying to see you but it shouldn't be like this
This was unexpected
what do we do now?

Could we start again please?

All (including ensemble):

I think you've made your point now
You've even gone a bit too far to get the message home.
Before it gets too frightening we ought to call a halt
So could we start again please

Mary: Could we start again please

All Echo:

Could we start again please

Mary:

Could we start again please

All Echo:

Could we start again please

Mary:

Could we start again please
Could we start again please?
