

# Jesus Christ Superstar, Everything's Alright

Mary:

Try not to get worried  
try not to turn on to  
problems that upset you  
Don't you know everything's alright  
yes, everything's fine  
And we want you to sleep well tonight  
Let the world turn without you tonight  
If we try  
we'll get by  
So forget all about us tonight

Apostles' Women:

Everything's all right  
Yes everything's all right yes

Mary:

Sleep and I shall soothe you  
Calm you and anoint you  
Myrrh for your hot forehead  
oh Then you'll feel  
Everything's all right  
Yes everything's fine  
And it's cool and the ointment's sweet  
For the fire in your hair and feet  
Close your eyes  
Close your eyes  
And relax  
Think of nothing tonight

Apostles' Women:

Everything's all right  
Yes everything's all right yes

Judas:

Woman your fine ointment  
Brand new and expensive  
Should have been saved for the poor  
Why has it been wasted?  
We could have raised maybe  
Three hundred silver pieces or more  
People who are hungry  
People who are starving  
Matter more  
Than your feet and hair

Mary:

Try not to get worried

Try not to turn on to  
Problems that upset you  
oh Don't you know  
everything's alright  
yes, everything's fine  
And we want you to sleep well tonight  
Let the world turn without you tonight  
If we try  
We'll get by  
So forget all about us tonight

Jesus

Surely you're not saying  
We have the resources

To save the poor from their lot?  
There will be poor always  
Pathetically struggling  
Just look at the good things you've got!  
Think while you still have me  
Move while you still see me  
You'll be lost  
You'll be sorry  
When I'm gone!

Mary:  
Sleep and I shall soothe you  
Calm you and anoint you  
Myrrh for your hot forehead  
Then you'll feel  
Everything's alright  
Yes everything's fine  
And it's cool and the ointment's sweet  
For the fire in your hair and feet  
Close your eyes  
Close your eyes  
And relax  
Think of nothing tonight

Apostles' Women:  
Everything's all right  
Yes everything's all right yes everything's all right  
(repeats over while Mary sings)

Mary:  
Close your eyes and relax think of nothing tonight  
Close your eyes and relax think of nothing tonight  
(slowly all fade)
