

Jet, Hey Kids

Hey kids, you did it all yourselves,
You'll never change the world,
So what you think about that
Hey dad, the suit is on your back,
So take your boots off my neck,
And get back to your money stack

(Chorus:)
Hey kids, fake it, I saw you wearing flares,
Turning, to nuts, used to have long hair

(Chorus:)

Woo hoo hoo hoo hoo, hoo hoo hoo, hoo hoo hoo hoo x2

Hailed man, remember Vietnam,
You hated Vietnam, but you dig Afghanistan
Hey kids, you did it all yourselves,
You can't turn around now, no no now we were someone else

(Chorus:)
Hey kids, fake it, we'll all see you in hell,

Woo hoo hoo hoo hoo, hoo hoo hoo, hoo hoo hoo hoo x4

Woo hoo hoo hoo hoo, hoo hoo hoo, hoo hoo hoo hoo x4
