

# Jet, Take It Or Leave It

Yeah! Just take it or leave it yeah  
Yeah! Did you get what you needed yeah  
Come on don't you know what you got to do?  
Yeah! Just take it or leave it yeah  
You gotta roll with whatever you know  
You gotta move if you don't know what to do here's the groove

Yeah! Just take or leave it yeah  
Yeah! Just lose it or keep it yeah  
Come on I think you know what you've gotta to do  
Yeah! Just take it or leave it yeah  
You gotta roll with whatever you know  
You gotta move if you don't know what to do here's the groove

Yeah! Just take it or leave it yeah  
I said just take or leave it yeah  
I said now take or leave it yeah  
I said just take it or leave it
