

Jettie, Nyanian

You've been here for us, oh, all the time
I know you were, and i know you are
Stay the same for us, oh, all the time
Stay the same, stay, stay the same

Don't like to say "i don't", so i don't
Take me out to say you are, coming down now
Did you say you know your love, come on

Oh, all the time
The way you were, the way you are
You see
This is what you've got, sweet sister

For us,
Oh, all the time
The way you were, the way you are
For us,
Oh, all the time
Stay the same, stay, stay the same

Don't like to say "i don't", so i don't...
Take me out to say you are, coming down now
Did you say you know your love, come on!

You see,
This is what youve got, sweet sister
