## Jewel, 2 Find U

If I asked u a question
Would u look me in the eyes?
Has our love been built on lies?
Well, why I'm asking
U see, the time is now
2 turn our backs forever
Or work this through somehow
And I want 2 see u
I want 2 feel new again

## [CHORUS]

Hey, U
Do not walk away
Let's choose love, come on
What do u say?
Hey, U
Know that I would spend
My whole life all over again
2 find U

We've layered hurt on hurt I've seen pain cloud your eyes But we are bruised, not broken Like a phoenix, love will rise And do U see me? Do u feel new again?

## [CHORUS]

Look in my eyes Kiss my mouth hard Let your conviction Reassure my heart Promise me now I'll promise U, too I love u
