

# Jewel, Fade Away

It's k-mart, the bathroom  
I'm staring in the mirror  
The green lights are bright  
It makes the lines clearer  
Heard the angel go  
Cigarette smoke's all that's left  
I've traded in my wings for a string of pearls  
And now the string is all I've left

The light bulbs burn  
Some ones in the stall  
Big white  
Brick wall  
Makes me feel small  
And I take my shirt off  
Looking for a glimpse of flesh  
I peel back the concrete  
Hope there's still some soil left

'cause I am fading  
I am fading  
I am fading away  
I am fading  
Just like fairy tales  
Hero loses faith  
I am fading

The air smells like urin  
Getting all  
I could walk out that door

But no one really ever leaves  
I take all my clothing off  
Trying not to forget  
Stupid things like  
The color of urin  
And the smell of stone when it's wet  
And I am naked in the mirror  
With a feather in my hand  
The lady comes out of the bathroom  
Screaming, &&quot;oh, jesus!&&quot;  
Like I was a man  
And I ask her  
&&quot;hey, what happens to us  
When we get old and in the way? &&quot;  
I guess she answered ? ? ?  
Took me away

And I am fading  
I am fading  
I am fading away  
I am fading  
Just like fairy tales  
Hero's loses faith  
And I do not know  
Why or when  
I guess that spring is just a leave me ? ?  
And I am fading  
I'm fading
