

Jewel, Fly To Me Angel

Oh my angel
Sweet sweet angel
Come to me swiftly
Its night so still

The dawn bus come swiftly
Ive been gone so long
Your face is so lovely
Its makes my faith strong

My hands are unsteady
Im so far from home
Just tell me, angel,
Im never alone

...
(I write them and then I forget them)
...(oh yeah)

Lay with me angel
Speak not a word
Your body is so slender
Like the wings of a bird

Fly from me angel
You see a dawns a cuup (? ?)
Ill be with you angel
On the wings of a song

Yodel--ohh--oie
Yodel--ohh--oie--de--you
Yodel--ohh--oie--de--you--ahh
Yodel--ohh--tii-oie--de--you--ahh
Ahhhh ooooo
