Jewel, Serve The Ego

Mirror, mirror Do you like What you see? I'll dance for you If you dance for me Who says a woman Cannot serve? It would be my pleasure Who says it is Not my destiny To let you control me? Underneath the disco light Everybody's feelin' all right Get on your hands and knees And praise the new deity Serve the ego Serve the ego

Two ships sailing
On a neon sea
Eat the flesh
Spit out the seeds
Feathered hair
And lame heels
What turns me on
Is so surreal

Underneath the disco light Everybody's feelin' all right Get on your hands and knees And praise the new deity Serve the ego Serve the ego

Tut tut, oh, to discover oh Oh no, you're yesterday's lover

Underneath the disco light Everybody's feelin' all right Get on your hands and knees And praise the new deity Serve the ego Serve the ego
