Jhene, Down For You (Part 2)

[Intro Hook]

I'll be down 4 u baby

I'ma ride for u baby I will be the one u need

I'll do anything u want me to

[Lil' Fizz Rap]

Sexy abs, with your hips to match

Apple bottom jeans wit your lil Gucci backpack

Don't stand there, admire my mac tac

Gift of gab, I never lacked that

In fact, when I whisper in your ears

I see your skin bump up

And the hairs on your arms jump up

I get the same feeling girl when I'm by your side

And when we kiss girl our souls collide

I can provide whatever you need

Just holla girl

[1st Verse]

Know how you got me on the line

But I can't stop thinking all the time

Boy where u be

Wanna be around u constantly

Give me that

No can't stand to go feelin

Before I'm even out the door baby

I wanna keep you there with me

I'm that chick

What - no doubt

I'm that chick

Up or down

Don't even gotta say a thing

Cause I'll be down

[Hook]

I'll be down 4 u baby

I'ma ride for u baby

I will be the one u need

Give u anything u want

I'll be down 4 u baby

I'ma ride for u baby

I will be the one u need

I'll do anything u want me to

[2nd Verse]

Oow what u bet

I'll never let

Nobody else ever think they could come between

What we got between u and me

Cause baby boo u got it like that

And ain't no way I'm holdin it back no

Cause now I got u

And if feels good now to be with u

[B Verse]

[Hook]

[Lil Fizz Rap]

I ain't tryin to get in your drawers

I'm a gentleman, I open doors

I'm ready and willin to give u more

Than the dude u was with before

It's automatic girl, you're the only one I adore

Long walks on the beach by the shore

U was all teeth when I came home from tour

I came off the plane with a teddy bear for u With a card attached telling u I care for u

I'll be there for u

Girl you've proven yourself

I see your heart is with Fizz not the cause of my wealth And u conduct yourself so smooth and classy You respect Omarion, J Boog and Razz B They all cosigned u and gave u thumbs up That's all I needed And this verse is summed up And I'm ready to take u there I gotta whole lotta love to share I know you're down 4 me [Break] I will give u anything And I will do anything Anything u want Anything u want I will give u anything And I will do anything Anything u want Anything u want [Hook Out]
