

Jhene, Stuck Like This(Full)

[1st Verse]

Unfortunately,
Me and you could not be me more unhappy with each other its true.
But I don't understand.
What makes such a nice guy.
Turn so cold and start acting so funny with me.
If had a dime or all of the times that I tried to call you.
But you didn't answer the phone.
I would be a rich girl.
But noticing you always stay on one.

[chorus]

Damn
I just know what is it.
That got me stuck like this, stuck like this, stuck like this.
Damn it feels like I'm dying.
I just can't stop crying.
What is it.
That's got me stuck like this.

[2nd Verse]

For some reason I can't stick this grip that you got on my mind
You start making me weak.
Why you treat me so mean?
Some times you used to be, so sweet to me.
I can't remember the last time,
You told me.
You kept it real wit me the way you should
You kept it real the way you should
The way you should you kept it real
Kept it real, Kept it real
The way you should, you kept it real

[chorus until fade]

Damn
I just know what is it.
That got me stuck like this, stuck like this, stuck like this.
Damn it feels like I'm dying.
I just can't stop crying.
What is it.
That's got me stuck like this.
