

# Jhene, Stuck Like This (Snippet)

Unfortunately

You and me could not be me more happy with each other its true

But I don't understand

When you met such nice guys so cold

They start acting so funny

If had a dime or all of the times that I tried to call you

But you didn't answer the phone

I would be a rich girl

But noticing that you always stay on one

(chorus:)

Damn

I just know what is it

That got me stuck like this, stuck like this, stuck like this

Damn it feels like I'm dying

I just can't stop crying

What is it

That's got me stuck like this
