

# Jhoom Barabar Jhoom, Kiss Of Love

hey!!

stay away from da kiss of love

oh teri neem nazar ne maara (kiss of love - 2)

mera gardish mein hai taara (kiss of love - 2)

oh teri aankhon mein jab bhi jhaakun (hoye shaawa oye shaawa)

meri saaans atak jati hai (hoye shaawa oye shaawa)

oh teri aankhon mein jab bhi jhaakun

mein saaans atak jati hai

oye band karle band kar yaara

daaka daalti aankhein

(kiss of love - 2, stay away from da kiss of love) - 2

aye dil-e-nadan tere

romance ki majbooriyan

umar se lambi hai yeh

raat bhar ki dooriyaan

o tere ishq mein tu kya jaane

kitne khwaab pirota hoon

ek sadi tak jagta hoon main

ek sadi tak sota hoon

teri aankhein jhooke toh (oye shaawa - 2)

gir padte hai taare (oye shaawa - 2)

oye band karle band kar yaara

daaka daalti aankhein

(kiss of love - 2, stay away from da kiss of love) - 2

aap se arz hai

aap ka yeh farz hai

nabhz toh nabz toh dekhiye

jaan ka yeh marz hai

haan mud mud ke na dekh zamaana

muh ke bal gir jaayega

edi maar ke rakh sakta yeh waqt palat ke aayega

teri aankhen jhooke toh (oye shaawa - 2)

gir padte hai taare (oye shaawa - 2)

oye band karle band kar yaara

daaka daalti aankhein

(kiss of love - 2, stay away from da kiss of love) - 4
