## Jibbs, Bring It Back

Yeah yeah gone bring it back girl Yeah yeah it's known for a fact girl

Just get it on the floor and do what you do Just get it on the floor and do what you do

Yeah yeah gone bring it back girl Yeah yeah it's known for a fact girl

Beat you cant do it like that I aint moving like that Cause the track will break you break you back girl

What you came here for if you aint planning to move Lets get it popping you aint got nothing to lose

Just get it on the floor and do what you do Let's get it on the floor and do what you do

Now I think its just time for you to move Its time for you to hit a home run like a bat girl Gone give it a test Cause you could do it the best Just be like Mitchell & Dess and throw it back girl Get wit it have ball and hit with it Trying to get with the crew Just thought that I'd mention it Cause I been with it In fact I'm a throw a hit with it Tried to blow ma mind when she turned around and spent with it So we could take it on back to the floor ma If you aint dancing than you looking at the door ma And she al fall if she do a little more ma Next thing she saw was the Lamborghini doors ha Don't get it twisted I aint saying you could leave boo Gone bring it back and you could show me what that thing do Don't get it twisted I aint saying you could leave boo Put it in reverse

Yeah yeah gone bring it back girl Yeah yeah it's known for a fact girl

Just get it on the floor and do what you do Just get it on the floor and do what you do

Yeah yeah gone bring it back girl Yeah yeah it's known for a fact girl Let's get it on the floor and do what you do Lets get it on the floor and do what you do

Im bout to start of shopping
You know them tags we popping
Only the freshest I'm rocking
I'm grabbing new fits
It kind of hard to fall
But it's so easy to ball
When I be hitting the mall to grab a new chick
Steady going telling bout the party I'm throwing
Im already knowing that she feeling the way that im flowing
Take the girl from her
And I'm a bring her out the lew
Letting her see the palm trees
Showing her how Cali do
from burning one to doing the bounce

then we hitting the crunk
As soon as we open them and any doors the party gone jump
As soon as we turn up the music the speakers go bump
and any body sitting down we gone tell 'em get up

Now I think its just time for you to move Its time for you to hit a home run like a bat girl I know you herd this before But im a tell you some more So listen carefully while I put it in fast forward

Yeah yeah gone bring it back girl Yeah yeah its known for a fact girl

Just get it on the floor and do what you do Just get it on the floor and do what you do

Yeah yeah gone bring it back girl Yeah yeah its known for a fact girl

Bet you cant do it like that I aint moving like that Cause the track will break a back girl

(Yeah, Yeah, Yeah, Yeah)

What you came here for if you aint planning to move Lets get it popping you aint got nothing to lose

Just get it on the floor and do what you do Lets get it on the floor and do what you do

What you came here for if you aint planning to move Lets get it popping you aint got nothing to lose

Let's get it on the floor and do what you do Let's get it on the floor and do what you do
