

# Jibbs, Let's Be Real

[Chorus:]

Deep inside you know the truth  
He don't really love you  
Baby, you've gotta face the truth  
You know I'ma keep it real with you  
Let's be real

[Verse 1:]

I was December in the Chi  
When I saw you walking by  
With the tears in your eyes  
And I walked up to your side  
So I asked you how you feel  
Girl is everything alright  
I want you to keep it real  
Girl you ain't got to lie  
See that dude is a mark  
A predator and a shark  
And I knew that from the start  
He wanted to break your heart  
You ain't got to think twice  
Cause I ain't that type of guy  
I'd rather see you happy  
I don't want to see you cry  
Let's be real, come on now  
Let's be real, he got no love  
Like I have for you, really feeling bad for you  
Out of all of this time he never had love I have for you

[Chorus:]

[Verse 2:]

He disrespect ya , he don't protect ya  
I know it hurts but you got to keep your head up  
He doesn't love ya, but I can treat you better  
That's why I think me and you should be together  
He doesn't need ya, bet I can please ya  
He doesn't trust ya, forever triny to treat ya  
He doesn't look at ya texture  
You should tell him that he really got you messed  
Tell him to beat it, me in your life you need it

I'm willing to do whatever, you really can't beat it  
I'm your keeper, my words you need to keep it  
Fresher, I could be the reason why you breathing

[Chorus:]

[Verse 3:]

He disrespect ya , he don't protect ya  
When you in need he don't hurry to catch ya  
Hurt and neglect ya, certain to stress ya  
I ain't your daddy girl, you can do whatever  
Let's be forreal, come on now, Let's be forreal, you know what's  
Up Let's be real, come on now, let's be real, forever ma

[Bridge:] It's best you let him go, or you will never know

[2x:] What we could be, why can't you see  
I'm the one for you
