

Jil Is Lucky, Hovering Machine

Sometimes I want to show you what's in the attic
Of our relationship
Time has made a picture turn in yellow
And I want you to know

You want to know where I have been
You want to know what I have seen
While my hovering machine
Was flying me down
I wonder if you will ever know

Back to the times when we used to try
It turned it all to this
Back on the pillow where we used to lie
You want to know

You want to know where I have been
You want to know what I have seen
While my hovering machine
Was flying me down
I wonder if you will ever know
