

# Jill Johnson, Can't Get Enough Of You

Oh Oh

Late night you are sleeping, I'm lying here beside you  
And just by looking at you I get a rush that I can't explain  
I feel you're reaching for me, sorry I didn't mean to wake you  
But you just smile and pull me closer

What a perfect time to open my heart, and say what's on my mind  
'cause I want you to know that every day and night I wanna spend it with you  
Oh, but words are never really enough

Hear me now

I can't get enough of you, that's a fact  
It's just the way you move me, you groove me, you do that to me  
I don't ever wanna stop  
When I'm down you bring me up  
I'll touch the sky, baby I can't get enough of you

Oh Oh

Oh man, you drive me crazy, even though you just try to love me  
No one's ever touched me, you got a way that I can't explain  
You don't need to say you love me, I can see it in your eyes  
I'll never let you leave, now

You turn the music on when you give me that smile  
You care like no one else, can't believe that you're mine  
I'd lost my faith in love, and then I met you, baby  
I almost can't believe that it's true

Hear me now

I can't get enough of you, that's a fact  
It's just the way you move me, you groove me, you do that to me  
I love everything you do, I'll always be with you  
How easy you please me, baby believe me  
I don't ever wanna stop  
When I'm down you bring me up  
I'll touch the sky, baby I can't get enough of you

Can't get enough of you...

Oh, you make me feel so real  
You let me be who I am  
I just love you man  
Now I can't...

I can't get enough of you, that's a fact  
It's just the way you move me, you groove me, you do that to me  
I love everything you do, I'll always be with you  
How easy you please me, baby believe me

I can't get enough of you, that's a fact  
It's just the way you move me, you groove me, you do that to me  
I don't ever wanna stop  
When I'm down you bring me up  
I'll touch the sky, baby I can't get enough of you
