

Jill Parr, Reach

Step up
Come over to the other side
Raise the bar higher
Live an adventurous life
Scale the mountains of faith
Feel the wind on my face
Hear destiny calling
See the wonder of grace

Reach up to God
Reach into one another
Reach out to the world
Reach for the future

I'm no longer comfortable
Living a harmless life
I'm standing counter to that
I'm not afraid of the fight
I'm tired of coming up short
I'm tired of losing the faith
This is a revolution
This is my revolution

I want to speak truer
I want to think purer
I want to walk straighter
I've got to know His love is deeper
I want to be kinder
I've got to press harder
I'm at the end of myself
I'm at the end of myself

I've got to let go
I've got to trust Him more completely
I've got to hold onto hope
I know His love is changing me
I feel the peace returning
I feel a fire burning
This is my revolution
This is our revolution
This is our future
