

# Jill Scott, One Time

BOTH:

Never in my wildest days did I think I'd find someone like you  
I like your style, you're swift, you're agile,  
Everything about ya stays true

JILL:

You stood before the sun  
Almost struck me blind,  
You're so damn fine...

ERIC:

Thank you baby  
And I know that you are meant to be with me  
Part o' my design

JILL:

One time

ERIC:

You be the salt, I'll be your peppa  
Give you flava foreva  
Leave ya never  
Don't you know, girl, I'm down for whateva

JILL:

You'll be my lemon, I'll be your tea,  
Pure and naturally,  
You'll be my leaf, I'll be your tree,  
Your very definition of real.

BOTH:

Since you been goin' my way  
Things have been goin' my way  
Saturday Sunday Monday to Friday  
I'm so happy you just make me wanna say to ya baby

Never in my wildest days did I think I'd find someone like you  
I like your style, you're swift, you're agile  
Everything about ya stays true

ERIC:

You appear'd before the sun  
Almost struck me blind  
You're so damn fine

JILL:

Thank you  
And I know that you're meant to be with me  
Part o' my design

ERIC:

JILL:

Like cognate as to function  
You're my and, but or, or conjunction  
In the cadillac with the trunk bumpin'  
Always down for somethin' somethin' somethin'

ERIC:

You'll be my feather, I'll be you wings  
Goin' to fly things  
Shinin' like some diamond rings  
Enjoyin' what happiness brings
