

# Jill Scott, Show Me

&quot;Show Me&quot;

If I ask you to trust me on all things  
Could you do it?  
If I needed you to map your position  
Would you try it?

Constantly talkin' bout how much  
You love me want me need me  
You told me stop talkin'.  
No more conversation necessary

Show me

If I needed you to replenish my faith in brothas  
Could you do it?  
If I need you to be cool with my strength  
Could you do it?

Chorus

Bridge

Your word is love but you push me  
Away and won't say why  
You show me your exterior I need to  
See your interior  
I needs to be  
Absolutely clear wit cha if we are  
To eva stand a chance  
It's the last dance. Don't cha see?  
Show me the warrior you're born to be

Warriors keep fightin' I know  
You're there  
Keep fightin' warrior  
I know you're there

(Repeat)
