

# Jim Brickman, Beautiful

From the Moment I saw you,  
from the moment I looked into your eyes  
there was something about you  
I knew I knew  
that you were once in a life time  
a treasure near impossible to find  
and I know how lucky I am to have you

Chorus:

Cause I've seen the rainbows that can take your breath away  
the beauty of the setting sun that ends a perfect day  
and when it comes to shooting stars, I've seen a few  
but I've never seen anything...as beautiful as you

Holding you in my arms  
no one else has fit so perfectly  
I could dance forever with you, with you  
and at the stroke of midnight  
please forgive me if I can't let go  
cause I never dreamed I'd find a Cinderella of my own

Chorus:

Cause I've seen the rainbows that can take your breath away  
the beauty of the setting sun that ends a perfect day  
and when it comes to shooting stars, I've seen a few  
but I've never seen anything...as beautiful as you

Chorus repeat:

Cause I've seen the rainbows that can take your breath away  
the beauty of the setting sun that ends a perfect day  
and when it comes to shooting stars, I've seen a few  
but I've never seen anything...  
Oh Oh, Oh no, I've never seen anything...as beautiful as you

from the moment I saw you,  
from the moment I looked into your eyes..
