

Jim Brickman, Destiny

oohhh...

what if i never knew

what if i never found you

i never had

this feeling in my heart

how did this come to be

i dont know how you found me

but from the moment i saw you

deep inside my heart i knew

chorus:

baby your my destiny

you and i were meant to be

with all my heart and soul

ill give my love to have and hold

and as far as i can see

you were always meant to be

my destiny

ooooohhhh

i wanted someone like you

someone that i could hold on to

and give my love until the end

of time

oohhh

but forever was just a word (just a word)

something id only heard about

but now youre always there for me

when you say forever i believe

chorus:

baby your my destiny

you and i were meant to be

with all my heart and soul

ill give my love to have and hold

and as far as i can see

you were always meant to be

my destiny

ooooohhhh

baby all we need

is just a little faith

cuz baby i believe

that love will find a way

heyyyyyyyy

ohhh

baby your my destiny

you and i were meant to be

with all my heart and soul

ill give my love to have and hold

and as far as i can see

from now until eternity

you were always meant to be

my destinyyyy

youre my destiny

yeahh yeahh oohhh
