## Jim Brickman, Jim Brickman

I am amazed When i look at you I see you smiling back at me It's like all my dreams come true I am afraid If i lost you girl I'd fall through the cracks And lose me track in this crazy lonely world Sometimes it's so hard to believe When the nights can be so long And gave me the strength And kept me holding on Chorus You are the love of my life And I'm so glad you found me You are the love of my life Baby put your arms around me I guess this is how it feels When you finally find something real My angel in the night You are my love The love of my life Now here you are With midnight closing in You take my hand as our shadows dance With moonlite on you skin I look in your eyes I'm lost inside your kiss I think if i'd never met you About all the things i'd missed sometimes it's so hard to believe when a love can be so strong and faith gave me the strength and kept me holding on You are the love of my life And I'm so glad you found me You are the love of my life Baby put your arms around me I guess this is how it feels When you finally find something real My angel in the night You are my love The love of my life
