

# Jim Croce, Dreamin' Again

Don't you know I had a dream last night  
That you were here with me  
Lyin' by my side so soft and warm  
And we talked a while  
And shared a smile  
And then we shared the dawn  
But when I woke up  
Oh, my dream it was gone

Don't you know I had a dream last night  
And you were here with me  
Lyin' by my side so soft and warm  
And you said you'd thought it over  
You said you were coming home  
But when I woke up  
Oh, my dream it was gone

I'm not the same  
Can you blame me  
Is it hard to understand  
I can't forget  
You can't change me  
I am not that kind of man

Don't you know I had a dream last night  
And ev'rything was still  
And you were by my side so soft and warm  
And I dreamed that we were lovers  
In the lemon scented rain  
But when I woke up  
Oh, I found that again, I had been  
Dreamin', dreamin' again  
I had been dreamin,' dreamin' again
