

Jim Croce, Roller Derby Queen

Gonna tell you a story, that you won't believe
But I fell in love last Friday evening
With the girl I saw on a bar room TV screen
Well I was just getting ready to get my hat
When she caught my eye, and I put it back
And I ordered myself couple of more shots and beers

The night that I fell in love with a roller derby queen
around and round, a round and round
The meanest hunk of woman that anybody ever seen
Down in the arena

She was 5 foot 6, two fifteen
A beach blonde mama with a streak of mean
She knew how to knuckle and she knew how to scuffle and fight
And the roller derby program said
that she was built like a 'fridgerator with a head
Her fans called her Tuffy, but all her buddies called her Spike

The night that I fell in love with a roller derby queen
around and round, a round and round
The meanest hunk of woman that anybody ever seen
Down in the arena

Well I could not help it, but to fall in love
With this heavy duty woman I've been speaking of
Things were kinda bad, untill the day she skated into my life
Well she might be nasty, she might be fat
But I never met a person who would tell her that
She's my bleach blonde bomber, my heavy handed Hackensack sack mama

The night that I fell in love with a roller derby queen
around and round, a round and round
The meanest hunk of woman that anybody ever seen
Down in the arena
