

# Jim Dale, Be My Girl

My baby I need you  
(Be my girl)  
To hug you and squeeze you  
(Be my girl)  
I wanna do things for you  
Be my girl

You're driving me crazy  
(Be my girl)  
Your kisses just thrill me  
(Be my girl)  
I want you to love me  
Be my girl

But with you it's somebody new  
Every day. . .ay. . .ay. . .ay  
And with you I wanna be  
to stay. . .ay. . .ay. . .ay

I love you so madly  
(Be my girl)  
I need you so badly  
(Be my girl)  
I'll hang around gladly  
Be my girl

But with you it's somebody new  
Every day. . .ay. . .ay. . .ay  
And with me I wanna be here  
to stay. . .ay. . .ay. . .ay

I love you so madly  
(Be my girl)  
I need you so badly  
(Be my girl)  
I'll hang around gladly  
Be my girl
