

# Jim Ed Brown, Rhumba Boogie

Well, come all you children give a listen to me  
Let me tell you 'bout a new boogie beat  
There's no hesitation, it's sweepin' the nation  
It's the Rhumba Boogie down the South American way.

While Madame Lozonga was teachin' La Conga  
In her little cabana in old Habana  
The folks in old Mexico were doin' the tango  
And we were steppin' to the rhythm of an old guitar.

Then across the water came Cuban Pete  
He started the boogie to the Rhumba Beat  
It's the Rhumba Boogie let's give it a whirl  
While he plays the boogie in the South American style.

(It's the Rhumba Boogie down the South American way)  
When that old piano starts to beat everybody then starts to sing  
To the Rhumba Boogie done the tropical style  
It's the Rhumba Boogie and they're doin' it all of the while.

Well, the guy responsible for leadin' the band  
He yells, do you stuff it's the best in the land  
It's the Rhumba Boogie let's dancin' awhile  
To the boogie woogie done the all American style...
