

Jim Ed Brown, The Old Lamplighter

(Charles Tobias - Nat Simon)

He made the night a little brighter
Wherever he would go
The old lamplighter
Of long, long ago.

His snowy hair was so much whiter
Beneath the candle glow
The old lamplighter
Of long, long ago

You'd hear the patter of his feet
As he came toddling down the street
His smile would hide a lonely heart you see
If there were sweethearts in the park
He'd pass a lamp and leave it dark
Remembering the days that used to be.

For he recalls when dreams were new
he loves someone who loves him too
Who walks with him alone in memory
He made the night a little brighter
wherever he would go
The old lamplighter of long, long ago.

Now if you look up at the sky
You'll understand the reason why
The little stars at night are all aglow
He turns them on when night is here
He turns them off when dawn is near
The little man we loved of long ago.

He made the night a little brighter
wherever he would go
The old lamplighter
Of long, long ago...
