

# Jim Ed Brown, You Nearly Lose Your Mind

Well, if you love your mama and you treat her right  
But she keeps a fussin' at you every day and night  
She's triflin' on ye they'll do it every time  
And when your baby starts to steppin'  
Lord, you nearly lose your mind.

But if your mama's good I'll tell you what to do  
Give her lots of lovin' and what she wants to do  
She'll trifle on ye they'll do it every time  
And when your baby starts to steppin'  
Lord, you nearly lose your mind.

--- Instrumental ---

Now I've been lots of places not much I ain't done  
But when it comes to women I just don't trust a one  
Because they'll trifle on ye they'll do it every time  
And when your baby starts to steppin'  
Lord, you nearly lose your mind.

You come home to your mama find your clothes ain't clean  
You can bet you're slippin' if you know just what I mean  
She's triflin' on ye they'll do it every time  
And when your baby starts to steppin'  
Lord, you nearly lose your mind...
