

# Jim Guthrie, 3 A.M.

3 a.m. at your house  
a mix tape on  
me and you and a mouse  
at your house  
dry mouth  
and could i get by on who i am?  
yeah, if Phil can  
I'm no good at making the first move  
but i guess i did by telling you  
and leaning in, a scared mouse  
at your house

oh my it's been so long  
since I've done this  
how do you do it?  
how do you do it?  
it's been so long  
since i like you  
how do you like me?

somewhere love is lost  
or love is won  
knowing is far from your bed  
are you having fun?  
I'm no good at making the first move  
but i guess i did by telling you  
and leaning in, a scared mouse  
at your house

3 a.m. at your house
