Had to fall back, face trial cause of Rucker

One-Eyed Willie, you can come try kill me

Still ridin that 5, you can get hung high silly

Usually in the club wit a bunch of O.G'z

We pop bottles and we all smoke weed

And we'll burn this bitch down, better call po-lice

And yall know yall don't want that beef

I'm tryna G-Mack look at all these freaks

Besides, the dance floor look sweet

So like Lil' Jon we can all skeet skeet

I'm tryna bag this bimbo

Mad she spilled her drink on the tan Timbo's

Stuntin' hard in my B-Boy pose

You aint got nuttin on me dogz aint V I aint drove

Fuck about the law top-speed on the road

.44 squeeze, breathe, reloooooaad

And if I gotta take it that far

That mean I left the club nigga and went straight to the car

[Chorus: Max B]

Baby girl, you tryna be down with the Dip-Set?

Well then you gotta get ya lips wet

Baby girl we gettin them big checks, tre-pound, sawed-off, we splittin them big checks

Yall aint thought he posed ta flow

Thought he posed ta bloooooooow

Its Dip-set baby, DIP-SET!!!
