

# Jim Reeves, A Fallen Star

A star fell from Heaven  
Right into my arms  
A brighter star I know I've never seen  
Then I found out that it was  
Only you with all your charms  
Who came into my life to fill a dream.

A fallen star, that's what you are  
That twinkle in your eye came from the sky  
You must have strayed from the Milky Way  
A fallen star, that's what you are.

--- Instrumental ---

A fallen star, that's what you are  
That twinkle in your eye came from the sky  
You must have strayed from the Milky Way  
A fallen star, that's what you are...
