

# Jim Reeves, Blue Without My Baby

Oh, I'm blue without my baby  
And it's hurtin' more each day  
I'm blue without my baby  
Since she left me and went away.

Well, she took a train to Memphis  
And she bought a one-way fare  
She took a train to Memphis  
That day she told me she didn't care.

I'm gonna search until I find her  
Ask her what wrong did I do  
Gonna kiss her till I remind her  
My love is faithful and true.

Well, I'm blue without my baby  
As blue as I can be  
And I'll leave no stone uncovered  
Till my baby comes back to me.

I'm gonna search until I find her  
I'll ask her what wrong did I do  
Gonna kiss her till I remind her  
My love is faithful and true.

Oh, I'm blue without my baby  
I'm blue as I can be  
And I'll leave no stone uncovered  
Till my baby comes back to me.

Oh, I'm blue without my baby  
Won't my baby, come back to me?..
