

# Jim Reeves, Have I Stayed Away Too Long?

Have I stayed away too long?  
Have I stayed away too long?  
If I came home tonight, would you still be my darlin'?  
Or, have I stayed away too long?

The love light that shone so strong  
Pretty love light that shone so strong  
If I came home tonight, would that same light be burnin'?  
Or, have I stayed away too long?

I'm just outside of town  
I'll soon be at your door  
Maybe I'd be wrong to hurry there  
I'd best keep out of town, and worry you no more  
For, maybe someone else has made you care.

Have all my dreams gone wrong?  
All my beautiful dreams gone wrong?  
If I came home tonight, would you still be my darlin'?  
Or, have I stayed away too long?
