

Jim Reeves, I Fall to Pieces

I fall to pieces each time I see you again I fall to pieces how can I be just your friend
You want me to act like we've never kissed
You want me to forget pretend we've never met
And I've tried and I've tried but I haven't yet you walk by and I fall to pieces
[sax]
(I fall to pieces) each time someone speaks your name
(I fall to pieces) time only adds to the flame
You tell me to find someone else to love
Someone who'll love me too the way you used to do
But each time I go out with someone new you walk by and I fall to pieces
