

Jim Reeves, I'm Glad You're Better

I'd walk by the same spot
Where we walked that night
I remembered your kisses
And tears dimmed my sight.
I'm glad you're better.

I'm glad you're better.

I talked with that old friend
He said you're blue as can be
Now I can tell you
It's the same way with me.
I'm glad you're better.

I'm glad you're better.

I know we'll never be the same
We both stood much too close to the flame
How I'd cry at the sound of your name
Don't think I'll make it.
I'm glad you're better...
