

# Jim Reeves, Mexicali Rose

Mexicali Rose stop crying  
I'll come back to you some sunny day  
Every night you'll know that I'll be pining  
Every hour a year while I'm away.

Dry those big brown eyes and smile, dear  
Vanish all those tears and please don't cry  
Kiss me once again and hold me  
Mexicali Rose, hoodbye.
