

# Jim Reeves, The Old Kalahari

Ver in die Ou Kalahari daar sing die Boere so  
Gee ons die Ou Kalahari die Ou Kalahari bo  
In misty plains all around me the burning sun and sand  
Lovely and peaceful surroundings my old Kalahari land.

Sonbesies sing in jou bosse die hittige son te versmaai  
Rooi Afrikaner-osse sien jy om elke draai  
Ver in die Ou Kalahari tot daar in die Molopo  
Gee ons die Ou Kalahari die Ou Kalahari bo.

--- Instrumental ---

When I am called on safari  
By him whom I cannot deny  
I pray that the old Kalahari  
Will be part of that land in the sky...
