

# Jim Reeves, There's a New Moon Over My Shoulder

There's a new moon over my shoulder and an old love still in my heart  
I remember now that I'm older what you told me the day we had to part  
You promised with the new moon you'd be coming back to me  
Many moons have passed still I'm waiting patiently  
There's a new moon over my shoulder and an old love still in my heart  
[ vibes ]

There's a new moon over my shoulder and an old love still in my heart  
Now I'm wishing I had been bolder then perhaps we wouldn't be so far apart  
You promised you would write me but so could not a line  
Still I wait and make believe that some day you'll be mine  
There's a new moon over my shoulder and an old love still in my heart
