

# Jim Reeves, There's Always Me

When the evening shadows fall  
And your wondering who to call  
For a little company, there's always me  
Or if your great romance should end  
And you're lonesome for a friend  
Darling, you need never be, there's always me.

I don't seem to mind somehow  
Playing second fiddle now  
Someday you'll want me, dear  
And when that day is here.

Within my arms you'll come to know  
Other loves may come and go  
But my love for you will be eternally  
Look around and you will see, there's always me...
