

# Jim Reeves, Till the End of the World

Till the star in the sky seems to shine till the sand in the desert grows cold  
Till the last petals fall from the roses and the silver in your hair turns back to gold  
Till the sun and the moon hide in darkness and we wait for the great light to shine  
My darling that's how long I will love you till the end of the world you'll be mine  
[ guitar ]  
Till the sun and the moon...
