

Jim Reeves, What Were You Doing (Last Night)

What were you doin'
When I saw you last night?
Were you just playing hands
Or was he holding you tight?

Did he kiss your sweet lips?
Look in your eyes of blue?
Did he whisper I love you
Just like I used to do?

Did he ask you questions
'Bout yesterday's flame?
What was your answer?
Did you mention my name?

Did he ask you to promise
That you'd always be true?
Did he mention a diamond
Darlin', I wish I knew.
