

# Jim Steinman, Left In The Dark

You don't have to sneak in the door  
Just come on into the room  
I've been lying in our bed in the dark all alone  
And I've been waiting, I've been waiting for you

There's been no reason to move  
It's been as still as a tomb  
I needed you oh, so badly tonight  
But I guess you had better things to do

I should have known that it was coming to this  
But I must have been blind  
I bet you still got a trace of his love in your eyes  
And you still got his eyes on your mind

You swore you'd be with me at 7 o'clock  
Now it's a quarter to three  
And whatever you got and whoever it was  
I guess you couldn't get it from me

I know that you love me, there's no need to talk  
I see the look in your eyes and I got the proof  
And there are no lies on your body, so take off your dress  
I just want to get at the truth

I know that you love me, there's no need to talk  
I see the look in your eyes and I got the proof  
And there are no lies on your body, so take off your dress  
I just want to get at the truth

And there are so many things that I just got to know  
You tell me who! You tell me where! You tell me when!  
But don't tell me now, I don't need any answers tonight  
I just need some love so turn out the lights  
And I'll be left in the dark again

I just need some love so turn out the lights  
And I'll be left in the dark again  
I just need some love so turn out the lights  
And I'll be left in the dark again

Left in the dark again

I should have known that it was coming to this  
But I must have been blind  
I bet you still got a trace of his love in your eyes  
And you still got his eyes on your mind

You swore you'd be with me at 7 o'clock  
Now it's a quarter to three  
And whatever you got and whoever it was  
I guess you couldn't get it from me  
I guess you couldn't get it from me

But down in my soul, down in my soul  
I know - I know that you love me, there's no need to talk  
I see the look in your eyes and I got the proof  
And there are no lies on your body, so take off your dress  
I just want to get at the truth

There are so many things that I just got to know  
You tell me who! You tell me where! You tell me when!  
But don't tell me now, I don't need any answers tonight  
I just need some love so turn out the lights

And I'll be left in the dark again  
I just need some love so turn out the lights  
And I'll be left in the dark again

I just need some love so turn out the lights  
And I'll be left in the dark again  
I just need some love so turn out the lights  
And I'll be left in the dark again  
I just need some love so turn out the lights  
And I'll be left in the dark again  
I just need some love so turn out the lights  
And I'll be left in the dark again

Left in the dark again....
