

# Jim Steinman, Rock And Roll Dreams Come Trough

You can't run away forever  
But there's nothing wrong with getting a good head start  
You want to shut out the night You want to shut down the sun  
You want to shut away the pieces of a broken heart Think of how we'd lay down together  
We'd be listening to the radio so loud and so strong  
Every golden nugget coming like a gift of the gods  
Someone must have blessed us when he gave us those songs  
I treasure your love  
I never want to lose it  
You've been through the fires of hell  
And I know you've got the ashes to prove it  
I treasure your love  
I want to show you how to use it  
You've been through a lot of pain in the dirt  
And I know you've got the scars to prove it  
Remember everything that I told you  
And I'm telling you again that it's true  
When you're alone and afraid  
And you're completely amazed  
To find there's nothing anybody can do  
Keep on believing  
And you'll discover baby  
There's always something magic  
There's always something new And when you really really need it the most That's when rock and roll
