

# Jim Steinman, Spoken Ending

Did he ever get rough  
Did you ever get tender  
Did it leave any scars  
Do you expect them to heal  
What did he look like  
Did he remind you of me  
Where you willing to beg or to kneel  
Did he keep his eyes open  
Did you bother to look  
Or was he only a kid after all  
Where did he touch you And how did it feel  
If you need him again will he still be on call  
And who made the very first move  
Who made the very first move Who made the very first move...
